We wanted to do something special for our Weekend Away during our 150th anniversary year – and we've found just the place for you to come with your family or friends

The venue

Hebron Hall is a popular Christian holiday and conference centre just the other side of Cardiff. It is set in 7.5 acres of grounds, on the outskirts of the village of Dinas Powys, within the beautiful Vale of Glamorgan. The Centre was opened in 1983 by an independent, charitable trust. It's so much in demand we were only able to get a booking due to a cancellation! It's recently been refurbished and has all the facilities we need at reasonable prices. Find out more at www.hebronhall.org

Accommodation

The centre has a variety of comfortable rooms, with en-suite facilities. Many of the rooms have three, four or five beds, which will be ideal for families. There are relatively few single or double rooms so there may be a need for some sharing of the larger rooms. Some rooms are suitable for disabled guests. Older children will be able to share a larger room together. The booking form allows you to state your options. If sharing is necessary we will agree this with you first.

Access

The centre is not far from the M4 and is less than 2hrs drive. It is also just down the road from Dinas Powys rail station. We can arrange transport for those without a car.

Food

We have booked full board accommodation with waitress (waiter?) service. The menu looks great. Any special dietary requirements can be catered for if we know beforehand.

Facilities

As well as the spacious dining room the centre has well-equipped conference rooms, several smaller meeting rooms and break-out areas with tea and coffee making. There is a heated indoor pool, a sports hall, pool tables, tennis courts, a crèche room and attractive countryside. There are a number of interesting places to visit nearby.

Speaker

Matt Wilson, a former missionary to Albania, is currently Team Leader at the BMS International Mission Centre. He will be speaking on the theme of 'Vision' - as we go forward to the next 150 years. There will be several meetings you can go to if you wish, with plenty of free time to use the facilities, go for a trip out or just relax with your friends. There will also be separate activities for children and young people.

Prices.

All the prices are shown on the booking form overleaf. The prices have been kept as low as possible. If you don't want to take your own sheets and pillowcases and/or towels you can pay a bit extra. We believe the charges are good value and reflect the accommodation and facilities offered. If the cost is the only thing preventing you from coming please do not hesitate to speak to one of the elders, as assistance may be available. All children under 16 must be accompanied by a responsible adult.

Payment

You don't have to pay it all up front! A deposit will be required but the remainder won't have to be paid until nearer the time. You can pay in instalments if you like.
